Ya we got a note on our door that we have to pay 1700\$ by the 3rd... we can only pay 1200\$ with every penny we have.

Got it.

Are we going to be alright??

Thu, Oct 25, 1:21 PM

Were you able to check on that?

Left a message. Waiting for a call.

OK so that paperwork I signed for the check isn't in yet? How long will this take? Should we be okay by the 3rd?

Thu, Oct 25, 2:55 PM

Yes. We will make sure you are fine.

Hey there

What's the word? 😊

Tue, Oct 30, 10:09 AM

Hey Lori I need to know when the money is coming. We are facing evction and this is real. What is going on with the check?

The word is I should know tomorrow afternoon. As soon as I do, you'll know.

Okay... so I should expect a call from u tomorrow afternoon?

Yes. Are you working? Would you rather I text?

Gas texting works better. I am working. We owe \$350 to our electricity that is about to get shut off, on top of almost \$400 that we owe to the apartment complex of late fee charges, on top of a rent which is \$1295. We have no way of coming up with this kind of money in the next few days

Ok. I'll text you.

OK please let me know soon as possible this is a dire situation right now

I will.

Tue, Oct 30, 5:56 PM

Okay so the word was that u would know this afternoon? So what's the verdict?

Ok I'll talk to you then

Perfect.

Wed, Oct 31, 2:48 PM

There is a check for you on my office door.

Wed, Oct 31, 9:05 PM

I'm coming to get it first thing tomorrow morning

Thu, Nov 1, 12:37 PM

So what is this like another check I need to pay interest on?? Because I didn't want that... you said you would know yesterday afternoon what was going on, so I drove to Portland assuming my full check was there... I have to pay 1700\$ in

I have been out and unavailable due to a sudden death in my family. I will know more once I get through my mail, emails and calls. That may take a day or so. I will let you know as soon as I am able. I'm sorry I worries you!

Worried

The last I heard from you was on oct 31st. I never got my he rundown about that grand I got. Like was that another peach tree loan? Communication has been terrible the whole time we have been involved with each other and I has caused a bunch of super unnecessary stress. All I have ever wanted is good communication, to know what is goin on.
